Re: Rebirth

Dear Bera and Birsha:

Greetings! I hope this letter finds you in good health and high spirits. I am writing to share a message that is profoundly important. According to John 3:1-21, God loves each and every one of us and desires that we experience a transformation, often referred to as rebirth. This spiritual awakening not only brings us closer to God but aligns our lives with His divine plan.

The natural design of humanity is for man to unite with woman, as intended by our Creator. While the struggles and feelings of being different may lead to the belief that one is born a certain way, I want you to know that God offers a solution. Jesus came into this world not to condemn but to call all sinners to repentance, providing a path to healing and renewal.

Enclosed with this letter, you will find relevant Christian tracts that detail the messages of repentance and rebirth. I encourage you to reflect upon their contents. Thank you and have a great day!

Sincerely,

John Dela Cruz
